

Old Bruk

The **Old Bruk** are the traditional and **most popular paving stones**. Their design is inspired by the past, typical urban paving. It's the **perfect model for those who value tradition and proven design**. Softly rounded edges, the classical pattern in three variants and large arrangement flexibility make the surface gain a unique character. The paving stones will **suit an Old Town neighborhood**, as well as shall create a harmonious atmosphere with a hint of nostalgia while arranged with **contemporary architecture**.

Te cechy powodują, że z pomocą starobruku można tworzyć unikalne, nietypowe podłoże. To doskonała propozycja dla osób, które cenią sobie oryginalne wzornictwo i pragną otaczać się pięknie urządzonej przestrzenią. **Starobruk może być z powodzeniem wykorzystany zarówno na miejskich starówkach, jak i w modernistycznym otoczeniu współczesnej architektury.**
