

Step

A **smooth step** is an element of **large format** and color in **shades of gray and graphite**. It fits perfectly with other Bruk products – paving stones, slabs and other products with a **noble Royal surface**. It allows you to create **unique arrangements** in the space around the house and more.

Thanks to its **large format and high strength properties**, it works perfectly in the construction of **stair steps** – along paths or garden alleys and around terraces. Its **noble, minimalist and at the same time modern form** can be used in almost any setting, giving character to **modernist estates**, as well as houses and gardens in a more **classic style**. It perfectly combines **high aesthetic values** and **practical use**.
