

Big Planter

High, concrete BIG pots are eye-catching. They will work wherever you need **sophisticated elegance** and a **unique**, strong accent. **BIG** is a system of pots with larger dimensions. Perfect for indoor and out door plants with a large scale and at larger arrangements. The pot looks great in **private gardens and urban spaces**. They have a wall thickness **reduced to 3 cm** at the top edge and an exceptionally **smooth, satin texture**. **100% handmade**.
