

## Edge KING

**KING** is a **large format edging**. It **fits** in with **modern paving trends** that rely on larger-dimension paving elements. It is the definite **king of creating simple, geometric and minimalist forms**. Combined with exclusive Royal paving, it becomes an elegant finishing element for sidewalks, terraces, alleys. Although **dedicated especially as edging of pavements made of large-format slabs**, it will prove just as useful as a builder of impressive flower beds or practical stops of various surfaces around the house (grass, stone, gravel, etc.).
