

Flat

Flat concrete slab is an ideal choice for enthusiasts of simplicity and believers in the „less is more” philosophy. Minimalist and modern – it will add a geometric touch to the space. It facilitates the creation of a calm yet striking background or, conversely, a dynamic and expressive one that breathes life into the area. Available in two sizes: 20cmx80cm and 40cmx80cm.

Combine sizes or colors to achieve a trendy design that meets the demands of contemporary aesthetics.
