

Bruk'us

Bruk'us, an openwork slab in a new design.

Premium openwork design to meet the needs of users seeking a traditional form in a modernized shape. The popular openwork slab has been given a new look, becoming an eye-catching alternative to the classic version. The fusion of traditional openwork shape and refreshed design serves as the foundation for eco-arrangements in various styles, from classic to bold and modern. The slab is available in premium color versions.
